- Each year, tournaments on the PGA TOUR generate millions of dollars for charity.
- Now, tournament fans can get in on the charitable giving by participating in the PGA TOUR Volunteer Challenge sponsored by Myrbetriq® (mirabegron).
- Registered tournament volunteer teams reach out to their family members, friends, co-workers and the general public and encourage them to visit **[PGATOUR.com/Volunteers](http://PGATOUR.com/Volunteers)** and vote for them as their favorite tournament volunteer team.
- At the end of the voting period on Saturday of tournament week, the volunteer team with the most votes earns the opportunity to present a check to its charity of choice from a list of tournament approved charities on behalf of Astellas, Pharma US, Inc. for \$10,000
- The tournament also has the potential to raise up to an additional \$65,000 in bonus funds for charity based on the total number of votes earned collectively by volunteers and the tournament.
