PGA TOUR VOLUNTEER  
CHALLENGE

Dear Tournament Volunteer:

Each year, the PGA TOUR and its tournaments raise millions of dollars for charity, with more than \$2.14 billion raised to date. This year, we welcome you to join us in raising more funds for charity by participating in the PGA TOUR Volunteer Challenge sponsored by Myrbetriq® (mirabegron).

The winner of this friendly “vote-for-me” competition will earn the opportunity to present a check on behalf of Astellas Pharma US, Inc. for \$10,000 to the charity of the team’s choice from a list of tournament-approved charities. In addition, the tournament has the chance to earn up to an additional \$65,000 in charitable bonus funds based on the total number of votes collected by volunteers.

To participate, please visit [PGATOUR.com/Volunteers](http://PGATOUR.com/Volunteers) and register in teams of one to four volunteers. Next, select the charity you would like to align with. Finally, please utilize the materials enclosed to help garner votes from your friends, family, co-workers and the general public by asking them to vote for your team and aligned charity. In addition to helping earn dollars for charity, the top-finishing volunteer teams at each tournament are eligible to win prizes from their respective tournaments.

Materials enclosed include:

- 2017 commemorative program pin
- 2017 program toolkit
- Informational business cards to share with friends, family, and co-workers on how to vote
- PGA TOUR contact information
- Tournament contact information

Should you have any questions about the PGA TOUR Volunteer Challenge sponsored by Myrbetriq® (mirabegron), please do not hesitate to reach out, as I will serve as your program contact. Good luck, and we hope you enjoy the challenge!

Sincerely,

Anne Davis
